**vi) Institutional Setup of Risk Management**

The Company's Board of Directors (BOD) is responsible for setting the strategic direction for the Company. This includes, establishing the liquidity risk appetite and the liquidity required to fulfil its strategic initiatives, setting boundaries/limits within such levels of tolerance and approving the policies that govern risk management under business as usual and stressed conditions.

The Company's liquidity risk is managed by Asset Liability management Committee (ALCO) based on guidelines provided by Risk Oversight Committee (ROC). ALCO is responsible for ensuring adherence to the liquidity risk appetite and asset-liability management limits set by the BOD and to oversee implementation of the strategic direction articulated by the BOD. The risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.
